

## Features & Benefits

Architectural Retro Body signs have hingeable retainers that allows access to service the sign. The Frameless Retainer allows for a true frameless appearance and has a larger bonding area for aluminum faces. The retainer has provisions for Corner Keys providing ease of assembly and added structure. It is available in Mill finish.

## Answers to FAQ's

- Recommended panel thickness .100" - .125"
- Add 1/2" to the cabinet size in the direction of lamp to allow for standard T-12 bulbs to fit

## Optional Items

- 1/4" Round End Part#1671
